

January 15, 2017

Dear Colleagues and Friends,

We are pleased to announce that the **9th International Conference on Mechanochemistry and Mechanical Alloying (INCOME 2017)** will be held on September 3 – 7, 2017 at the Slovak Academy of Sciences, Košice, Slovakia. INCOME is one of the principal events in the field of mechanochemistry and mechanical alloying, held once in every three years. The website of the Conference is now available on <http://INCOME2017.saske.sk>.

Please be a part of the prestigious International Conference in which world renowned names in the field of mechanochemistry and mechanical alloying will be sharing their work (<http://INCOME2017.saske.sk/program>).

The registration and abstract submission will be opened on the Conference website on January 15, 2017. The deadline for abstract submission is April 30, 2017.

We are happy to inform you that the Conference is supported by the International Mechanochemical Association (IMA) under IUPAC and the Institute of Geotechnics of the Slovak Academy of Sciences. It enables us to offer relatively low registration fees.

Please keep also in mind that the proceedings of the Conference will be published in a Special Issue of Nanomaterials and Nanotechnology (IF 2015 = 1.109) and/or Journal of Materials Science (IF 2015 = 2.302).

We do hope you and your colleagues will be able to come to Košice to attend INCOME 2017!

Yours sincerely,

Vladimír Šepelák

On behalf of Organizers of INCOME 2017
